Dear Friends,

"The New J" is now formally part of FEBC (Far East Broadcasting Company). This assures that the ministry will have longevity and more depth as tens of thousands will continue to be encouraged in Christ. The entire staff of The New J is working for FEBC, and, new staff is being added. A new development is that you can now watch "The New J" on Facebook live stream. For ten years people have asked if they could hear what we sound like - now you can! We hope you will praise the Lord with us when you read the attached letter from the President of FEBC. You all had and continue to have a part in the ministry of "The New J."

You may have noticed that we are now living in Minnesota for our Home Assignment. This is a new experience since we have always lived in De Pere, Wisconsin when in the U.S. We missed going to Packer practices this summer but, did enjoy a tour of the Viking stadium. We are living near Bethel University where Neil is a senior.

A highlight of being back in the States is being with family! We have a new granddaughter: Christine Neigenfind, born Aug 21st. We're thrilled to have two grandchildren, both girls, both Claire and Connor's. We are blessed to be able to see all of our kids, although never enough - they're each in a different state! Since we have been home we have helped each one of our children move for schooling or employment. Our siblings are only in two different states together with my (John) mother. We are especially thankful to spend time with our families.

We are now visiting and contacting our supporting churches and ministry partners. It's great to visit and tell everyone in more detail how God has been and continues to work through the station! Thank you so very, very much for your partnership! Please feel free to contact us if we can join you for Sunday School, morning service or missions meetings.

Serving together with you,

John & Lori
