Dear Friends,

Thank you for your recent gift to Converge. Good things are happening through our Converge International Ministries?our work in 33 countries.

We have set the aggressive goal to have 300 new missionaries by the year 2025. With strategies in place for Thailand and Indonesia, which account for 125 of those new workers, we are on pace to accomplish this goal. Our November Missionary Assessment Center, which evaluates our candidates' aptitude and readiness to work cross-culturally, already has 16-20 people registered. We praise God for how he is accomplishing his mission.

We are grateful for your generosity and partnership in Christ's mission. For regular updates, subscribe to Newslines and Point magazine at [converge.org](http://converge.org).

Your partner in the mission,

Scott Ridout, President  
Converge Worldwide

START. STRENGTHEN. SEND.

**Thank You!**
