Dear Brothers and Sisters in the Lord Jesus Christ,

Once again I greet you in the name of our Savior. May the Lord continued to fill your heart with joy and peace and to proclaim His word to all!

Summer is now over and I give thanks to the Lord for those pleasant and warm days, which gave me the opportunity to travel often to preach the Gospel. I had the privilege to meet many new Latinos who have come to work in this region. In my travels I am able to spread the word of God and welcome the newcomers to Christ's Flock. I am also glad to help those in need of a ride to the medical clinic, to get legal assistance, or any other necessity.

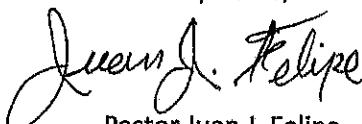

I continue to serve the Lord in both Pelican Rapids and Park Rapids, Minnesota. I praise the Lord Jesus for the parents who brought their newborn babies before the Lord Almighty. I conducted several "Ceremonies of the Presentation" of newborns throughout the summer. For me, it is a most joyous privilege of my duties in service to our Lord.

In the month of August my wife Elena, my granddaughter Lala Elena and I, spent three weeks vacationing in Texas and Mexico. We visited our relatives and friends, and I had the chance to share the Gospel with several people in Nuevo Laredo, Mexico. One man who was suffering with serious afflictions accepted the Lord Jesus Christ as his Savior, while others had a reconciliation with the Lord. The glory and honor is for our God Almighty!

Since my return to Minnesota I am continuing to visit with numerous believers who for various reasons cannot attend church, where I read the Bible and pray with them in their homes. I have been praying especially for all those inundated by the most recent natural disasters in Mexico, Texas, Florida and the Caribbean. I have a deep concern and empathy for those who lost their children and family members. It is my prayer that the Lord be most merciful with these victims with lost ones and comfort their hearts with awesome love. I ask you please to continued to pray for all those dear ones that are no longer with us.

I thank you again for your help in my ministry and for your constant prayers. May the Lord Jesus Christ bless each and everyone of you. I love you in the love of the Lord! Amen!

Sincerely Yours,

  
Pastor Juan J. Felipe
