February 2017

Ministry Partners and Friends,

Athletes in Action @ NMU

1 year ago God began raising up a significant group of athletes at NMU in an AIA group. Abby & Paul are great student leaders. 20-30 meet weekly.

IndyCC - Dec 28-31

11 MI UP Cru students joined us in Indy for a conference of 2000 students. God was present in a special way. The topic was It's about Time.

Executive and Entrepreneurial Leadership Forum

EII Forum - Executive and Entrepreneurial Leadership Forum

NMU - Feb 2-3

We hosted an EII Forum @ NMU, where we invited 120 student leaders to come to a plated dinner where 3 local Entrepreneurial Executives talked about their successes, failures, wisdom and faith as believers. Each table also had a table host. 48 people attended and 5 students indicated that they made a commitment to Christ. The 3 executives also spoke on a panel at our Thursday Cru meeting as well as a brunch for Cru student leaders. It was exciting to see God at Work! We have been able to connect with a number of those who attended.
