## THANK YOU

The whole IGO mission team would like to say thank you for your faithful prayers and support for the ministries and missionaries of IGO. The Gospel is going out and church leaders are being trained throughout Africa, India and the South Pacific. None of this would be possible without your faithful partnership in the Gospel. You are much appreciated.

## IGO HOME OFFICE

**Paul & Robina Wolff** will be departing for Papua New Guinea next week and with our departure, the IGO home office will be short staffed for the next year.

**Brittany Wolff Arsenenko** will be running IGO's home office on her own for the next year. However I am confident that Brittany will be able to help you with anything you need from the IGO home office.

## DONATION ENVELOPES

We have enclosed a packet of donation envelopes for your convenience. If you need anything else feel free to call, write or email any time to the address above.

Thank you again for your faithful support,

Paul Wolff
