"Focus" a Seminar for New Missionaries

Held in the Conference Room at the Converge Orlando Office.

Appointees learn to build their support team, prepare communication tools, address finances, continue to meet Converge staff and much, much more!

Truly a transitional picture taken before we left the Philippines

L-Raymond, New OIC at The New J
R-Adrian, newest DJ at The New J

"The New J" promoted one DJ and added another. Praise the Lord!

As of June 15, Lori and I have a new role in the States. We provide personalized monthly guidance and support to new missionaries as they complete crucial requirements before they go to their fields. Converge IM is seeking to add 300 missionaries in the next ten years - the majority reaching the most unreached. It's exciting to be an important part of their preparation!

Thank you for continuing to be an important part of our support team! See many of you soon! Our website is: <https://converge.org/give/74299> (John's cell: 920-241-5917)
